3ds Max 2018 Getting Started

- 2 Nov, 2018-3ds Max-Design Visualization If you are new to 3ds Max, follow the lessons in this Getting Started series and learn the basics. Topics include navigating in 3ds Max, modeling, animating, texturing and lighting a finished scene.

Getting Started in 3ds Max | Tutorial Series | AREA by ...

This chapter presents two tutorials. Each introduces modeling and animating with 3ds Max, and demonstrates the 3ds Max user interface. The first, Animated Battle Scene, was written with game and entertainment artists in mind; the second, Modeling a Revolving door, was written for designers and architects. But they each present different features and methods, so feel free to go through either ...
