Agilent 8960 Series 10 E5515c Wireless Communications Test ...

I was seeing a lot of these pop up on E-Bay at giveaway prices for a while and wondered what it was. Very fancy looking and yes outrageously expensive when new, but also a one trick pony where I gather its software and firmware can no longer be updated for the ever-changing world of cell phone technology thus every user is piling them up on pallets for surplus as they don't want to pay the e ...
