ancient Greeks. The lives that they led, their belief system, and even the way they created buildings have left lasting impressions that can still be seen today. For many, ancient Greece is considered to be the cradle of Western civilization.

## **Social Culture of Ancient Greece | Maryville Online**

The social structure in

# Where To Download Ancient

Greece A Political

ancient Athens is much

different from what

we have now. Only

male citizens could

send their kids to

school, whereas now

everybody can attend.

Men were rated highest

and most valued as

citizens that were able

to take part in politics,

run for government

positions and perform

military service.

## **The Social Structure**

### **- Ancient Greece**

# Where To Download Ancient Greece A Political

An oligarchy is a system of political power controlled by a select group of individuals, sometimes small in number but it could also include large groups. For the Greeks (or more particularly the Athenians) any system which excluded power from the whole citizen-body and was not a tyranny or monarchy was described as an oligarchy.
