WHO provides technical guidance on contact tracing explains what constitutes a contact, how to identify contacts and how best to monitor contacts in quarantine. When health systems are overwhelmed, both deaths directly from the outbreak and deaths as a result of vaccine-preventable and treatable conditions increase dramatically.

A guide to WHO's guidance
Contact someone you already know. This is the most common way to network and set up an interview. Even if there are a few degrees of separation, it never hurts to reach out and ask family or friends if they know anyone who could help. Send a cold outreach email. This is less common but can be successful if it's done correctly.

The Ultimate Guide to Informational Interviews | LiveCareer
Luckily, with streaming services like Netflix, Amazon Prime, BroadwayHD and Disney+, there is a wealth of theatrical resources available where you can find live recordings of original productions from Broadway and beyond. Here is a guide to what is currently available, including several film adaptations, for your viewing pleasure.
