## **CogAT Scores: What They Mean & How to Read Them - TestPrep ...**

CogAT scoring is based on your child's age (not grade level). Your child will receive what's called an SAS, or "Standard Age Score," which compares your child's score against other children in the same age range. The highest SAS that a child can receive on the CogAT is 160, while 100 is considered to be an average score.
