### Bylaws & Ethics | ADHA - American Dental Hygienists ...

The dental hygiene profession is taught a code of ethics. Hopefully, we all follow it to the best of our ability. The profession's code of ethics is based on a preamble that states that we are "devoted to the prevention of disease and the promotion and improvement of the public's health.". It encourages us to live meaningful and productive lives. The code can be satisfying in our professional life, as well as our private lives and in our communities.
