2015 Gulfstream G650 for sale - Hangar 67

With an official inventory of only eight G650's for sale, this was a significant movement, especially since the 2014 G650 was an off-market sale. The January 2017 activity of one 2013 Model G650 is not closed yet, but an LOI has been signed. The prices of all three transactions are in the \$49-\$53 million range.

Gulfstream G650 Recent Market Movements - Aviatrade

The Gulfstream G650 is the fastest business jet ever built and has one of the longest ranges. The fuselage cross section is a unique oval shape with 8 large (28 inch) cabin windows on each side and the highly efficient wing has a greater sweep (36 degrees) than previous Gulfstream models. It is equipped with a fly-by-wire flight system.
