The NEC4 Alliance Contract is a multiparty contract for the appointment of a number of partners to create an alliance to deliver a major project or programme of work. Contracting as an alliance offers a different approach to collaborative working between Clients and suppliers compared with other types of contract.

NEC4: Alliance Contract - 9780727762207

In 2007 JCT published the Constructing Excellence Contract (JCT/CE), a contract designed to support collaborative working, as advocated by the Latham Report, and can trace its roots back to the "collaborative contract" published in 2003 by BE, a joint venture between the Reading Construction Forum and the Design and Build Foundation (and now part of Constructing Excellence).
