### **RPGFan Music - Piano Collections NieR Gestalt & Replicant**

In addition to NieR: Automata, the soundtrack as well as another album for NieR: Gestalt and Replicant was added. The first NieR's backstory is interesting, as it was released as two separate games in Japan. Although not an obscure game, it never gained the popularity of its followup. Suffice to say, PlatinumGames has achieved an elite status not only for its games, but also its quality music.
