The key principles of Seeking Safety are: (1) Safety as the overarching goal (helping clients attain safety in their relationships, thinking, behavior, and emotions). (2) Integrated treatment (working on both trauma and substance abuse at the same time). (3) A focus on ideals to counteract the loss of ideals in both trauma and substance abuse.

Seeking Safety for Mixed Substance Abuse/Dependence ...

Seeking Safety is, hands down, the BEST resource I've found to work with clients and elicit change. It's intended to be used in group settings, but I've also found the materials to be useful in individual therapy. If you're working with clients with substance abuse/PTSD, you will not regret purchasing this book. 3 people found this helpful
