Smith's Textbook of Endourology: 9781444335545: Medicine ...

Smith's Endourology is a must-read for anyone who considers himself an endourologist - especially at the start of one's career. The hardback book delivers on almost any and all areas of endourology, including laparoscopy and robotics, and features some of the most brilliant pieces of textbook that I ever read. The piece on renal anatomy from Sampaio alone is worth all the money, and the book hands out a CD with the whole thing as PDF just like that.
