(1980) Well, it's
certainly taken a while
to post the first entry in
this retrospective. You
can always chalk it up
to being lazy and busy
with more "important"
things (like work), but
there's also a reason I
wasn't entirely
prepared to accept.

author Piers Anthony.
The series takes place on Phaze and Proton, two worlds occupying the same space in two different dimensional planes. Phaze is a lush planet of magic, where Proton is a barren mining planet of science. As the series opens, each person born on Phaze and Proton has an alternate self living on the other world. But if a person on either world lacks a
