In Thank You for Arguing, Jay Heinrichs endeavors to show why the lost art of rhetoric—the study of argument and persuasion—can help people understand the world, help them succeed, and generally improve their lives. In Part One, “Offense,” Heinrichs lays out the basics of arguing. Every argument has three basic steps: first, stimulating the audience’s emotions, second, changing the audience’s opinion, and third, getting the audience to do or choose something.

Thank You For Arguing Study Guide Flashcards | Quizlet

Jay Heinrichs, the author and narrator of the book, likes to use examples from his personal life, especially his family life. By beginning with a banal-seeming example of the power of arguing, Heinrichs tries to establish a connection with his audience (his readers), most of whom, presumably, will be familiar with the kind of low-stakes, everyday arguments that Heinrichs mentions here.
