Tom Peters' THE CIRCLE OF INNOVATION is that stuff written, my apologies, presented by Tom in a way different from the traditional style of book. Pages depicting slides of a presentation and words that are in parentheses representing Tom's heart. The Circle has to be in a hatke style because it is about innovation after all.

Publisher Description. Tom Peters--brilliant, original, and perhaps the most inspiring and listened-to business thinker of our time--has a lot on his mind these days. And he wants to share it in The Circle of Innovation. The world of business is in a permanent state of flux, he argues, a state of chaos in which constant innovation is the only survival strategy--for the individual and for the organization.
