The Origins Development Of The

For years we have believed in development. Indeed, with all its hopes of a more just and materially prosperous world, development has fascinated societies in both North and South. Looking at this collective fancy in retrospect, Gilbert Rist shows the underlying similarities of its various theories and strategies, and their shared inability to transform the world.

2.1 A brief history of development policy. In its most general sense, development is a process that has gone on throughout human history as individuals and societies have attempted to better themselves. In Europe, concerted efforts to improve the conditions of disadvantaged sectors in society began in the 19th and early 20th centuries often ...

2.1 A brief history of development policy

Another important influence in the origin and development of the state was the economic motive. After wealth ceased to consist solely of trinkets and arms and came to include flocks and slaves, conquest became desirable for the booty to be obtained thereby. Conquest gave rise to the state, and in all history has continued to have an important ...

The Father of Economics . Economic thought goes as far back as the ancient Greeks, and is known to have been an important topic in the ancient Middle East.

The History of Economics

The expression language origins refers to theories pertaining to the emergence and development of language in human societies. Over the centuries, many theories have been put forward—and almost all of them have been challenged, discounted, and ridiculed.

Theories of the Origin and Evolution of Human Language

The conflict extends to include the origins and development of the earth and the rest of the universe: cosmology, astronomy, geology, etc. There are not one but two main forms of creation science in North America. Among believers in evolution, there are two main understandings of what drove, and continues to drive, the development of the species.
