The collection is a haven for studio ceramics fans, boasting the biggest, and one of the most important collections of British studio ceramics in the country, including iconic early works by Bernard Leach, Shoji Hamada and William Staite Murray – three of Milner-White's most admired potters.

Britain's best places to see: Ceramics and pottery ...

First there was the clay. And Jeremiah knew, as he watched the potter shaping and molding the clay, that he was looking at a picture of himself, and of every man, and of every nation. We are the clay. Both Isaiah and Zechariah, in the Old Testament, join with Jeremiah in presenting this picture of the potter and the clay.

The Potter and the Clay | Jer 18-19:13 | RayStedman.org

Woodfire potters are cursed with balancing their creative input with the intense unpredictable and visceral result of the woodfire process. It's immensely challenging to be able to predict the clay and kiln phenomenon precisely enough to collaborate with it for successful pots in design, ergonomics, and decoration.

9 Potters to Watch in 2018...They are Killing it.

For the show makes a claim for the coherence and cultural significance of an artistic genre that is not just a medium (clay) or a form (the vessel), but also a practice, of studio pottery. While rooted in ancient craft traditions, in Britain for more than a hundred years studio pottery has been in active and creative dialogue with sculpture ...
