The Screens Translated From The

The Screens (French: Les Paravents) is a play by the French dramatist Jean Genet. Its first few productions all used abridged versions, beginning with its world premiere under Hans Lietzau's direction in Berlin in May 1961. Its first complete performance was staged in Stockholm in 1964, two years before Roger Blin directed its French premiere in Paris.

From the Renaissance idea of the painting as an open window to the nested windows and multiple images on today's cinema, television, and computer screens: a cultural history of the metaphoric, literal, and virtual window. As we spend more and more of our time staring at the screens of movies, televisions, computers, and handheld devices—"windows" full of moving images, texts, and icons—how ...
