Thinking Into Results Bob Proctor

How to Think Into a Result. This is not a secret.... If you want to change something in your life, you must start with the end in mind. In other words, don't think about your current circumstances. Instead put your imagination into high gear, and think your way into the conditions you want. I'm not saying that you ignore your current results.

How to Think Into a Result - Proctor Gallagher Institute

The Thinking Into Results Program guides you through a powerful 12 lesson process for creating your new, desired results. Each lesson builds upon the previous lesson. It is important to periodically review the program in its entirety for constant reinforcement of the ideas. It is through the repetition of the lessons that you will experience permanent changes.
