Come on guys! Get with the times! My son is 5 and he knows EVERYTHING because he wants to know - right down to the details of how a sperm has to meet with an egg and implant in the uterus wall, and how twins are made, the difference between identical twins and non-identical. I bet some of you grown ups don't know that.

If we are nothing more than glorified apes, simply the product of blind evolutionary forces that did not see us coming, then we must abandon any sense that we are a “special” species with a unique destiny and purpose. We are just an accident of nature, a species that can gauge its success and worth only by its ability to survive.
